*(estimated)*

**58**  
newborn intensive care  
patients daily

**10,585**  
team members

### Mission

Founded in 1955, Baptist Health is the area's only locally governed health system. Our mission is "to continue the healing ministry of Christ by providing accessible, quality health care services at a reasonable cost in an atmosphere that fosters respect and compassion."

### Comprehensive Care

- Five nationally accredited hospitals: Baptist Jacksonville, Baptist Beaches, Baptist Nassau, Baptist South and Wolfson Children's Hospital
- Baptist MD Anderson Cancer Center is a regional destination for world-renowned cancer care which is clinically integrated with MD Anderson Cancer Center in Houston
- Three freestanding Emergency Centers in Clay, Northside and St. Johns Town Center, including two comprehensive medical campuses
- Baptist Health is part of Coastal Community Health, an affiliation with Southeast Georgia Health System and Flagler Hospital, to create a contiguous health network spanning from Brunswick to Jacksonville to St. Augustine. Coastal Community Health's goal is to strengthen each health system's ability to achieve the best possible health at the best value for the communities we serve.
- Region's first and largest primary care network, with more than 140 physicians in 49 offices
- Specialty care physician practices in a growing number of adult and pediatric specialties including behavioral health and cardiology
- Home health care with an average of 600 registered patients per day
- Comprehensive geriatric care, occupational health, urgent care, rehabilitation services, pastoral care and more

### Benefiting the Community

- Educating and training health care professionals, including more than 250 medical and nursing students, residents and fellows who rotate annually through Wolfson Children's Hospital
- Investing more than \$250 million annually in social responsibility initiatives, charity care and the cost of uncompensated care

### Investing in Quality and Safety

- Recognized as a national leader in the use of clinical information technology to improve the quality and safety of care
- All five Baptist Health hospitals are fully digital with electronic medical records

### Distinctions

- Magnet™ designation, the gold standard for excellence in patient care (all five hospitals and home health)
- Jacksonville's most preferred health care provider since 1990 based on the National Research Corporation's Health Care Market Guide
