

Not all surgery centers are the same.

The decision to have surgery is never taken lightly — neither should your choice of where to go.

You want the most advanced technology, highly skilled surgeons and the safest equipment in a comfortable setting. That's why we've opened a new Surgery Center at Baptist Clay on Fleming Island.

Our "smart" operating suites, with high-definition cameras and screens, enable our surgeons to operate with the utmost precision. And we're able to perform everything from orthopedic surgeries to minimally invasive procedures right here. All of this in an upscale setting, with perks like private patient rooms, where you can recover in a spacious, quiet environment.

The Baptist Clay Surgery Center. **Ask for it by name.**
