active pediatric research studies

At Wolfson Children's Hospital, our mission is to provide optimal health for the region's children by providing patient- and family-centered care, education, research and child advocacy.

#### Patient- and Family-Centered Care

- We partner with the patient and family to deliver safe and high-quality care.

#### Education

- Main teaching facility for the Pediatric Residency Training Program of the University of Florida (UF) College of Medicine–Jacksonville
- Training tomorrow's pediatric doctors, nurses, chaplains, pharmacists and other allied health professionals

#### Research

- Dedicated Clinical Research Center for investigator-initiated and multi-center studies
- Evidence-based best practices to improve care/outcomes

#### Child Advocacy

- THE PLAYERS Center for Child Health at Wolfson Children's provides programs designed to prevent illness/injury, increase access to care, educate families, promote health/wellness, and advocate for children.

#### Nationally Recognized, Regional Leader in Pediatrics

- Recognized as one of America's Best Children's Hospitals in 2016–17 by *U.S. News & World Report* for Neurology & Neurosurgery, and Gastroenterology & GI Surgery
- Awarded Magnet™ designation for excellence in patient care
- Nationally accredited Echocardiography; Cancer; Blood and Marrow Transplant; Epilepsy; and ECMO programs

#### World-Class Care Close to Home

Our medical faculty includes pediatric subspecialists with Nemours Children's Specialty Care, Jacksonville, the University of Florida College of Medicine–Jacksonville and Mayo Clinic.

- 1,000+ nurses and staff
- 250+ full-time physicians in 30+ specialties
- Wolfson Children's Specialty Centers in Lake City, Daytona Beach, Clay County, Tallahassee and Brunswick, Ga.

#### Centers of Distinction

- Behavioral Health Center
- C. Herman and Mary Virginia Terry Heart Center
- Cancer Center
- Diabetes & Endocrinology Institute
- Gastroenterology Center
- Walter and Michelle Stys Neuroscience Institute

Wolfson Children's Hospital also provides critically needed services and technology to better serve the children in our region, including:

- Cardiovascular ICU and Surgery
- Dedicated Neurosurgical Suite
- Interoperative MRI and CT
- Blood and Marrow Transplantation
- Hybrid Neurovascular and Cardiovascular Surgery Suite
- Highest-Level NICU
- Orthopedic Surgery
- Bower Lyman Center for Medically Complex Children

#### Community Benefit

- Largest provider of charitable care to children in Jacksonville
- \$36.7 million in uncompensated and charity care
- An additional \$7 million invested in programs to improve child health
