115
active pediatric research studies

At Wolfson Children's Hospital, our mission is to provide optimal health for the region's children by providing patient- and family-centered care, education, research and child advocacy.

Patient- and Family-Centered Care

- We partner with the patient and family to deliver safe and high-quality care.

Education

- Main teaching facility for the Pediatric Residency Training Program of the University of Florida (UF) College of Medicine – Jacksonville
- Serves as site of pediatric training for multiple Mayo College of Medicine Jacksonville physicians
- Training tomorrow's pediatric doctors, nurses, chaplains, pharmacists and other allied health professionals

Research

- Dedicated Clinical Research Center for investigator-initiated and multi-center studies
- Evidence-based best practices to improve care/outcomes

Child Advocacy

- THE PLAYERS Center for Child Health at Wolfson Children's provides programs designed to prevent illness/injury, increase access to care, educate families, promote health/wellness, and advocate for children.

Nationally Recognized, Regional Leader in Pediatrics

- Recognized among America's Best Children's Hospitals by *U.S. News & World Report* year after year
- Awarded Magnet™ designation for excellence in patient care, Asthma-Friendly Hospital designation by the Florida Asthma Coalition, and the AACN Gold Beacon Award for Excellence™ in pediatric intensive care; Extracorporeal Life Support Organization Award for ECMO excellence
- Nationally accredited Echocardiography; Cancer; Blood and Marrow Transplant; Epilepsy; and ECMO programs

World-Class Care Close to Home

Our medical faculty includes pediatric subspecialists with Nemours Children's Specialty Care, Jacksonville, the University of Florida College of Medicine – Jacksonville and Mayo Clinic.

- 1,153 nurses and staff
- 250+ full-time physicians in 30+ specialties
- Wolfson Children's Specialty Centers in Lake City, Daytona Beach, Clay County, Tallahassee and Brunswick, Ga.

Centers of Distinction

- Behavioral Health Center
- C. Herman and Mary Virginia Terry Heart Institute
- Cancer Institute
