### At Wolfson Children’s Hospital, our mission is to provide optimal health for the region’s children by providing patient- and family-centered care, education, research and child advocacy.

### Patient- and Family-Centered Care

- We partner with the patient and family to deliver safe and high-quality care.

### Education

- Main teaching facility for the Pediatric Residency Training Program of the University of Florida (UF) College of Medicine – Jacksonville
- Serves as site of pediatric training for multiple Mayo College of Medicine Jacksonville physicians
- Training tomorrow’s pediatric doctors, nurses, chaplains, pharmacists and other allied health professionals

### Research

- Dedicated Clinical Research Center for investigator-initiated and multi-center studies
- Evidence-based best practices to improve care/outcomes

### Child Advocacy

- THE PLAYERS Center for Child Health at Wolfson Children’s provides programs designed to prevent illness/injury, increase access to care, educate families, promote health/wellness, and advocate for children.

### Nationally Recognized, Regional Leader in Pediatrics

- Recognized among America’s Best Children’s Hospitals by U.S. News & World Report year after year
- Awarded Magnet™ designation for excellence in patient care, Asthma-Friendly Hospital designation by the Florida Asthma Coalition, and the AACN Gold Beacon Award for Excellence™ in pediatric intensive care; Extracorporeal Life Support Organization Award for ECMO excellence
- Nationally accredited Echocardiography; Cancer; Blood and Marrow Transplant; Epilepsy; and ECMO programs

### World-Class Care Close to Home

Our medical faculty includes pediatric subspecialists with Nemours Children’s Specialty Care, Jacksonville, the University of Florida College of Medicine – Jacksonville and Mayo Clinic.

- 1,153 nurses and staff
- 250+ full-time physicians in 30+ specialties
- Wolfson Children’s Specialty Centers in Lake City, Daytona Beach, Clay County, Tallahassee and Brunswick, Ga.

### Centers of Distinction

- Behavioral Health Center
- C. Herman and Mary Virginia Terry Heart Institute
- Cancer Institute
- Diabetes & Endocrinology Institute
- Gastroenterology Center
- Walter and Michelle Stys Neuroscience Institute

### Wolfson Children’s Hospital also provides critically needed services and technology to better serve the children in our region, including:

- Cardiovascular and Surgery ICU
- Dedicated Neurosurgical Suite
- Interoperative MRI and CT
- Hybrid Neurovascular and Cardiovascular Surgery Suite
- Blood and Marrow Transplantation
- Highest-Level NICU
- Orthopedic Surgery
- Bower Lyman Center for Medically Complex Children
- Pediatric Trauma Referral Center

### Community Benefit

- Largest provider of charitable care to children in Jacksonville
- $52.3 million in uncompensated and charity care
- An additional $6.2 million invested in programs to improve child health
